**Thought for the Day:**

A heart that's always listening and a mind that's always learning gets tired.

And when you're tired, you need to rest.

Being kind enough to give yourself a break is the wise thing to do.

Know that you:

- Aren't responsible for fixing everything that's broken.
- Don't have to please everyone.
- Don't have to have everything figured out.
- Have permission to rest – as long as you're the one who gives yourself permission.

Rest for you could look like moving slower as you clean the house or being mindful while you make a meal. It probably means being nicer to yourself.

If you're not resting, you're not healing.

Parish Office opening hours – Monday, Wednesday & Thursday 10am to 3pm
