SECTION E: ONLINE CODE OF CONDUCT

- **Be kind:** No judgmental attitudes or bullying. Negative, hurtful or derogatory comments will not be tolerated. We work to encourage each other. The group should be a safe space for members to express themselves.
- **Respect others:** Respect the different opinions of everyone in the group and listen. Healthy debates are natural, but kindness is required. Keep discussions to the appropriate, designated time for discussion. Follow the instructions of the leader(s).
- **Respect privacy:** No photo-taking, screenshots, screen or voice recordings of meeting or those attending the meeting. Do not share group codes or passwords with people outside the group. Do not tag other people in photos or posts on social media without their permission.
- **Be honest:** Make a leader aware if you are feeling uncomfortable due to a person or topic being discussed. If you need a break do not be afraid to ask.
- **Respect confidentiality and do not gossip:** if you are telling a story about someone, ask yourself, "Is this my story to tell?" Do not talk about other people without permission: this includes your family members. Always respect confidentiality: what is said in the group, stays in the group, unless there is a safeguarding concern.
- **Appropriate Dress Code and Surroundings:** Only use the online platform from an appropriate location i.e. bedrooms and bathrooms are not appropriate. Make sure people around you cannot be seen or heard on camera unless they are part of this group. Dress appropriately e.g. pyjamas are not appropriate.
- **Breach of the Code:** Anyone who breaks the rules or acts inappropriately while on the online platform will be removed from the meeting and parents / guardians will be informed.
- **Attendance Log:** I acknowledge that an attendance log of any Zoom call my child participates in will be retained by the parish/Diocese in accordance with Safeguarding Policies and Procedures.

Guidelines for Parents / Guardians on the Use of Zoom

Online Safety

We ask you to take the time to discuss online safety with your child before they participate in a Youth Group Zoom Call. Helpful information may be found here: <https://www.webwise.ie/parents/>

Digital Wellbeing

Digital wellbeing features are also available for many popular Apps, allowing users to control how much time they spend on that App, see their daily activity, turn off notifications and set reminders to take a break. We encourage young people to look after their mental health online by accessing the platforms wellbeing features (where available).

What is Zoom?

Zoom is a video conferencing platform that can be used through a computer desktop or mobile app, and allows users to connect online for video conference meetings, webinars and live chat. Please review Zoom's Privacy terms and conditions carefully before registering. <https://zoom.us/terms>

Parish / Diocesan Responsibilities

The Parish / Diocesan Youth Ministry leaders will ensure that they comply with the Archdiocese of Cashel & Emly Safeguarding policy & procedures in the same way that they would if meeting face to face. Full details of the diocesan safeguarding policy and procedures can be found on <https://www.killaloe-diocese.ie/safeguarding/>

Access to Zoom

A young Person should only use a Parent / Guardian's Zoom account or access through their Parent / Guardian's email account when engaging with Parish / Diocesan Youth Ministry.

Parent / Guardian Supervision

We ask that you supervise your child's use of the Zoom account. By supervision we mean: The Parent / Guardian ensures that they are at home while the young person is attending the session, and the Parent / Guardian is responsible for logging in and out of the Zoom meeting.

Ensure appropriate dress code / location:

Participants in Zoom calls share their name and image with other participants on that call. All participants must ensure that they have their camera switched on and that their name is the name which appears on screen. They must also ensure that they are the only person present on the call, avoiding situations whereby others in their home may be able to see/hear other participants on the Zoom call. Where possible the young person participating in Zoom should be in a communal space when accessing the session via laptop, computer, or another device. Bedrooms and bathrooms are not appropriate locations. Appropriate dress code to be followed e.g. pyjamas are not appropriate.

What will my child need to participate in distance-based youth group experiences?

- a completed Zoom Joint consent form
- Charged laptop / phone with access to camera and microphone. (Note that laptops are needed to access the full features of Zoom.)
- Strong Wi-Fi connection (In the event of a weak Wi-Fi connection, contact your Parish / Diocesan Youth Ministry leader to discuss alternative ways of participating in the Zoom Meeting.)
- Within the Zoom session:
 - Ensure your background is free from any personal images / items that can identify personal information.
 - Do not give out any personal information about yourself or your family members e.g. home address, email address or phone numbers, alternative social media profile information or personal images / videos.
- Note: A Zoom account is not needed if you are strictly joining a Zoom meeting as a participant.
