Schedule 1 - Part 1, Part 2.....	13-16
----------------------------------	-------

Introduction

The Diocese of Killaloe is committed to the highest standards of practice in its recruitment procedures and take all necessary steps to ensure that all individuals with whom we come into contact are safe and protected from harm.

Vetting is one of the many steps that are taken during the recruitment and selection process to help ensure that only those who are suitable to work with children and vulnerable adults are given the opportunity to do so.

This document sets out the Policy and Procedures in place within the Diocese of Killaloe, in relation to vetting in the Republic of Ireland.

Aim

To ensure that all personnel recruited by the Diocese of Killaloe, are suitable for the post to which they are appointed

Garda Vetting

Since the introduction of **the National Vetting Bureau, (Children and Vulnerable Persons), Act, 2012 – 2016**, there is now a statutory requirement that people who carry out **relevant work, (that is work that involves regular and necessary access to or contact with children and/or vulnerable adults)**, must be vetted prior to commencing employment or carrying out relevant activities.

It is important to point out that having a criminal record will not automatically exclude an individual from employment or volunteering with the Diocese of Killaloe.

The General Data Protection Regulation, effective from 25.05.2018, provides for higher standards of data protection for individuals and imposes increased obligations on organisations that process personal data.

What is Vetting?

Vetting is a criminal background check undertaken on personnel who will be carrying out **relevant work or activities**. It is carried out with the permission of the individual to establish what if any criminal record, pending or completed, relating to them, is held by the Garda Síochána, which may deem them unsuitable to work with children or vulnerable adults.

Specified information (also known as soft information) is information other than criminal convictions where such information leads to a bona-fide belief that a person poses a threat to children or vulnerable persons.

If **specified information** is going to be disclosed, the National Vetting Bureau must, in advance, notify the person of their intention to disclose this.

What is included in a Vetting Disclosure?

Within current disclosure policy, when a person is vetted by the National Bureau, their criminal record (if any) is disclosed to the appointed Authorised Liaison Persons in the Diocese. The vetting disclosure will include details of all convictions and pending prosecutions and a statement of specified information (if any) or a statement that there is no criminal record or specified information relating to the person being vetted. Information of a conviction that falls under the Spent Convictions Act (2016) will not be included in a disclosure

The following convictions will always be disclosed:

Offences against the person (except minor public order offences).

Sexual offences

Convictions on indictment that go to circuit court or higher court.

Garda vetting procedures only apply to those who have addresses in the Republic of Ireland. The Diocese of Killaloe reserve the right to seek assurances for those who have lived abroad.

Who should be Vetted?

The National Vetting Bureau (Children and Vulnerable Persons) Act 2012 – 2016 defines people who should be vetted as:

“any person who is carrying out work or activity, a necessary and regular part of which consists mainly of the person having access to or contact with children and/or vulnerable adults”. (See Appendix 1)

Any person whose work or activity involves access to children or vulnerable adults, whether in a full-time, part-time or voluntary capacity with the Diocese of Killaloe, must be vetted. The National Vetting Bureau of the Garda Síochána deals with requests for vetting to be carried out.

Examples of Roles that typically **WILL** require vetting:

- Clergy (Bishops, Priests, Deacons);
- Sacristans;
- Parish Safeguarding representatives
- Diocesan DLP/Director of Safeguarding
- Youth Group Leaders such as those responsible for youth choirs, parish run youth clubs, Pope John Paul II Award leaders, youth liturgy groups, etc.;
- Supervisors of Altar Servers;

- Communion Programme: “Do This In Memory of Me” leaders;
- Confirmation Programme: “You shall be my witnesses” leaders;
- Eucharistic Ministers who have been commissioned to bring the Eucharist to homes, hospitals, care homes and other institutions where there are children and vulnerable adults present;
- Baptismal teams
- Funeral and Bereavement teams.
- All other roles that bring a person into direct contact with children or vulnerable adults through his/her ministry, work or activity.

Examples of Roles that **typically WILL NOT** require vetting:

- Parish secretaries;
- Collectors;
- Car park attendants;
- Those present in the Sacristy who don’t have an official role with children or vulnerable adults. (Note: However, these adults should never be left unsupervised with children or vulnerable adults);
- Readers of the Word unless they have a dual role which directly involves contact with children or vulnerable adults;
- Eucharistic Ministers who only distribute the Eucharist within the main body of the church during public Mass or other liturgical celebrations;
- Other roles whose contact with children or vulnerable adults is merely incidental while they are carrying out their ministry, work, activities with those who are not children or vulnerable adults.

Re-vetting

The Diocese of Killaloe, require people to be re vetted for their role every 3 years. However, the Diocese of Killaloe rely on individuals to inform them if there is any relevant change to their criminal record and this is pointed out during the recruitment process.

The Vetting Procedure

The National Vetting Bureau carries out vetting for **Relevant organisations** that are registered with it. A **Relevant organisation** is one that employs or permits a person to carry

out work or activities which mainly consist of them having access to or contact with children or vulnerable adults. The Diocese of Killaloe is a **Relevant organisation**.

The National Vetting Bureau (Children and Vulnerable Persons) Act 2012, states;

- A “relevant organisation” means a person (including a body corporate or an unincorporated body of persons)—*
- (a) who—*
 - (i) employs (whether under contract of employment or otherwise) any person to undertake relevant work or activities,*
 - (ii) enters into a contract for services with any person for the provision by that person of services that constitute relevant work or activities,*
 - (iii) permits any person (whether or not for commercial or any other consideration) to undertake relevant work or activities on the person’s behalf,*
 - (iv) is a provider of courses of education or training, including internship schemes, for persons and, as part of such education or training or scheme, places or makes arrangements for the placement of any person in work experience or activities where a necessary part of the placement involves participation in relevant work or activities,*

Vetting is not conducted for individuals on a personal basis.

The Vetting Application

Following interview, the successful prospective candidate is given the Vetting Application Form to complete. The Vetting Application Form seeks the consent of the individual for the Garda vetting check to be carried out.

The Identification Check

The identity verification of the vetting subject is carried out by a representative of the Diocese of Killaloe, usually the Parish Priest / Parish Safeguarding Representative in the Diocese of Killaloe.

The photographic Identification must be verified in the presence of the vetting subject. The Confirmation of Identification statement with copies of supporting identification documents are returned to the Authorised Liaison Person.

The Vetting Application Form is completed by the vetting subject and returned to the Authorised Liaison Person.

The Authorised Liaison Person confirms that proof of identity has been verified and submits the Vetting Application.

The Vetting Disclosure

The National Vetting Bureau processes the Application and sends a Vetting Disclosure to the Authorised Liaison Person.

An individual vetting subject may obtain a copy of their Garda Vetting Disclosure from the Diocese of Killaloe.

The Vetting Disclosure will be a statement from the National Vetting Bureau that there is no criminal record or specified information in relation to the person.

or

A statement from the National Vetting Bureau detailing a criminal record and/or specified information in relation to the applicant.

If specified information is to be disclosed, the National Vetting Bureau's Chief Officer will have notified the vetting subject in advance of the intention to disclose such information. The vetting subject will have had an opportunity to appeal against that decision.

Should a disclosure of a criminal record be made, the Authorised Liaison Person will inform the person who requested the vetting check, that there is a delay in the vetting process.

The Authorised Liaison Person will notify the Director of Safeguarding that a conviction or other information has been revealed on the Vetting Disclosure Certificate. Depending on the nature of the conviction disclosed, a decision will be reached as to how the matter will be addressed. The Director of Safeguarding will liaise with the Parish Priest regarding the way forward. A representative of the Diocese of Killaloe and , will as soon as practicable, give the vetting subject the opportunity to verify the information contained in the Vetting Disclosure Certificate. The vetting subject may be asked to attend a meeting and to provide additional details in relation to the matter and/or any offence committed. The vetting subject will be informed of their right to dispute the disclosure with the National Vetting Bureau.

Disputing a Vetting Disclosure

If the applicant has been the subject of any prosecution and/or convictions, the National Vetting Bureau will provide the details. It is the right of the applicant to dispute this information if he/she so wishes and to respond to the information received from the National Vetting Bureau.

Where a vetting subject disputes the details contained in a Vetting Disclosure Certificate issued by the National Vetting Bureau, the vetting subject must write to the Authorised Liaison Person and outline the exact basis of their dispute.

The Authorised Liaison Person will submit the report received from the vetting subject along with the original Garda Vetting Application Form to the National Vetting Bureau for further checks to be conducted.

If the vetting subject indicates that there were errors or omissions made by them when completing the original application form, they will be requested to complete a new

application form and both the new and the original forms will be submitted together to the National Vetting Bureau.

If following the result of further checks, the vetting subject still disputes details in the Garda Vetting Disclosure, arrangements will be made for further validation procedures to be carried out in order to resolve the matters in dispute.

Vetting Decision-making

Where there is no disclosure of a criminal record or specified information, the Authorised Liaison Person informs the line manager/local Leader that the Vetting Disclosure has been received and the recruitment process proceeds as set out in the Recruitment Policy and Procedures.

The documentation associated with the vetting process, that is, the completed Vetting Application Form, copies of the documents produced to validate identity, the Identification Confirmation statement and the original Vetting Disclosure Certificate are kept by the Authorised Liaison Person in their Office.

Where a vetting disclosure of a criminal record is received from the National Bureau or a self-disclosure is made by an individual, the decision to offer employment or the continuation of a position, rests with the Diocese of Killaloe.

The following factors will be considered as appropriate:

- ✚ The post for which the applicant is seeking employment
- ✚ The age of the person at the time when the offence(s) was committed.
- ✚ The nature of the conviction and the sentence imposed
- ✚ The number of convictions
- ✚ The time lapse since last conviction.
- ✚ The disclosure of the offence by the applicant
- ✚ The explanation offered by the person
- ✚ The steps taken to prevent re-offending
- ✚ The potential risk to service users.

Other factors for consideration.

The Diocese of Killaloe will NOT consider any person for employment or as a volunteer to work with children or vulnerable adults, who has been convicted of any of the following:

- ✚ An offence of a sexual nature or violent nature
- ✚ The ill treatment of a child or vulnerable adult
- ✚ The ownership, production or distribution of child pornography.

Other offences will be considered on a case by case basis.

Decision not to Appoint

Where the matter is deemed to be of a sufficiently serious nature as to call into question the suitability of the individual for the post concerned, the decision regarding confirmation of the appointment will revert to the Bishop. A record will be compiled giving the decision made and the reason for that decision. Where the decision is **not** to confirm the appointment, then the individual is entitled to appeal the decision in accordance with the procedure outlined below.

The Appeals Process

It must be noted that an appeal can only be made in relation to the decision not to employ the person (paid or voluntary). The Panel has no role in reviewing the contents of the Garda Vetting Disclosure as this belongs solely to the Garda Síochána. If the applicant wishes to appeal the decision, the Bishop must set up a Review Panel. The role of the Review Panel is to determine if the decision of the Bishop was reasonable and fair. The applicant must be told that the appeal process will require that the information disclosed by the Garda Síochána will be shared with members of the Review Panel and that any representations made by him/her may be shared with the statutory authorities. Representation from the applicant will be requested in writing in order to offer the opportunity to explain any circumstances which might further inform the Review Panel.

The purpose of the meeting is to confirm the applicant's identity and to give the applicant an opportunity to discuss the application in the light of the information received from the National Vetting Bureau

The nature and significance of the new information will be discussed

A written record of the meeting will be kept.

Should the applicant claim that the information is inaccurate, the onus is on her/him to provide evidence to support this claim.

This evidence will be forwarded to the National Vetting Bureau by the Authorised Liaison Person with any other information deemed necessary.

When the National Vetting Bureau has conducted further checks, the response will be forwarded to the Authorised Liaison Person who will then communicate it to the Panel.

Confidentiality

All information in relation to the vetting process will be handled in a manner consistent with the Diocese of Killaloe Data Protection Policy. The Diocese of Killaloe will comply with good practice regarding the secure storage, handling and use of the Vetting information as per legal obligations under the General Data Protection Regulation, 2018.

The documentation and information associated with the vetting process will be filed securely.

The Diocese of Killaloe will not rely on vetting disclosures conducted by a previous employer nor shall they forward on disclosures of past staff to other organisations.

The vetting disclosure certificate is not transferable.

The Diocese of Killaloe reserve the right to initiate Garda re-checks at any time.

The standard Garda vetting form only covers addresses in the Republic and the North of Ireland. Individuals who lived overseas for a period of 6 months or more may be required to provide proof of non-convictions from the country in which they were resident. In the event that the individual is unable to provide this, it must be demonstrated that all efforts have been made to do so. These situations may include individuals who are from countries where police clearance certificates may be difficult to obtain.
