

# **ADVENT**

## **Wreath Blessing**

**God, promise of light eternal.  
A promise fulfilled in the birth  
of the one we call  
The Child of Bethlehem,  
Son of God.**

**Bless our Advent Wreath of  
evergreens  
marked by it's candles as  
a timeline for us to  
Celebrate God's promise  
fulfilled.**

**As light emerges within  
this circle of green,  
May we journey through this  
Advent season  
Finding **hope** for tomorrow,  
**love** for what needs loving,  
lasting **joy** for seeing it in  
another, forgiving and forgiven  
in **peace**. Amen**
