

PRAYER TO ST. BLAISE

O glorious Saint Blaise,
faithful servant of Christ and courageous bishop,
you who suffered martyrdom rather than deny the Lord,
look kindly upon us who seek your intercession.

By your prayers, protect us from illnesses of the throat
and from every sickness of body and soul.

Strengthen us in times of weakness,
bring healing where there is pain,
and help us to trust always in God's loving care.

You who were known for compassion and mercy,
obtain for us the grace to live our faith with courage,
to bear our crosses with patience,
and to remain faithful to Christ in all circumstances.

Through your intercession,
may we be preserved in health, grow in holiness,
and one day rejoice with you in the glory of heaven.

We ask this through Christ our Lord. Amen.

Saint Blaise, pray for us.
